Sponsorship Opportunities

The AmCham Bahrain Oil & Gas Roadshow will provide sponsors an opportunity to highlight their services and brand to a U.S. Oil & Gas Companies C-Suite level audience in Houston Texas. 200 high-level decision makers are expected to attend the Roadshow events.

The purpose of this Roadshow is to increase awareness among the U.S. Oil & Gas industry of Bahrain's recent oil and gas discoveries and the development/investment opportunities. The U.S. has some of the world's leading companies, technologies and expertise in extracting oil and gas from shale. This Forum will also raise awareness about the industry opportunities related to upstream and downstream including Petrochemical, LNG, and other related O&G opportunities. As well as highlight Bahrain's business friendly regulations, liberal culture, and strategic location for business entry into the GCC market.
